

## Announcing: Meditation-III -&- Healing-III Classes

We are offering two new Advanced Spiritual Classes: Meditation-III and Healing-III. Both of these Classes are seven (7)-week, and explore each chakra and its related energy-systems, one per week:

- Meditation-III : Further Explore & Refine your Spiritual Anatomy & Systems, emphasizing your Ability to Read Yourself clearly, accurately, & easily.

- Healing-III : Explore, Heal, & Refine your Body/Being Integration, emphasizing your Ability to Heal Yourself Effectively, Powerfully, & in Non-Effort. These are Advanced Spiritual Classes, leveraging the students' ability to read themselves and each other, and create & explore their Seniority over their own Spiritual Anatomy and Etheric Creative Circuitry.

Thus, these two classes require the student to have completed a Clairvoyant/Intuitive one-year Training Program. These two Classes are our Bridge between Clairvoyant Training, and the One-to-One Advanced Training. As always, please feel free to Contact Us to set-up a time to discuss your Goals and Next Steps! And please enjoy our Sample Meditations , Explanations of Psychic Concepts , and free podcast Downloads !
